Family Promise

10 years ago on Mother's Day, Family Promise of Missoula opened their doors to 4 families experiencing homelessness. 10 years later we now are working collaboratively with the YWCA to provide support for up to 31 families at the Family Housing Center at the Meadowlark!

If you are a Family Promise volunteer or support the program in any way, please join us to celebrate ten years of service for families in our community who are experiencing homelessness: thousands of hours of service, thousands of meals served, hundreds of families cared for. Our gathering will feature a lasagna dinner, entertainment, and short presentations. Family Promise has much to celebrate! Please see the [Sign-Up Genius](#) for ways to get involved and to RSVP.

In Memory of Maggie Lough

In a time that is wrought with divisiveness, polarization, and hate of the other. MIC had a decade long relationship with Maggie Lough. Through this relationship Maggie gave us a picture of leadership that modeled the daily/weekly peace building that can heal our neighborhoods, cities and society.

The formation of MIC over the last decade has taken deep resilience and imagination from many people. Maggie was one you could always count on. If there was a meeting about building relations across faith... if there was an action to create better housing in Missoula, Maggie would be there! And she would pester her beloved community at Unity Church to come with her.

The work of justice and peace building takes a community of leaders willing to hold each other up and be there for one other. I miss Maggie's reliable warmth. Her presence in many rooms where important issues of justice were being negotiated always brought peace and the desire to reach toward understanding.

Maggie, thank you for showing us a lifetime of healing leadership. Casey Dunning

Stock Gift Donation

We are trying to create multiple ways for donors to support the work of MIC. For some, a stock gift is the quickest and easiest way to support our work. We have shared some helpful information about stock gifts on our website that will hopefully answer any questions that you might have. Check it out!

MIC's Mission is: "To draw people together across civic, economic, political and religious divides to affect social change and develop public leaders. We exist to strengthen community organizations, generate leaders, and foster meaningful relationships as we act together for the common good."
